CLOSEOUT MEMORANDUM

Case Number: A13070077

Page 1 of 1

Our office received multiple allegations about a PI (Subject) on former NSF awards.¹

Most of the allegations were related to the Subject allegedly submitting false information in NSF proposal biographical sketches. In each of these cases, the statute of limitations has long passed.

For a plagiarism allegation involving a document unconnected to NSF, we did not have jurisdiction.

We found the allegation that the Subject falsely claims to have a Ph.D. unsubstantiated.

Finally, we found the allegation that the Subject was falsely claiming to serve on an NSF Advisory Committee to be substantiated and our office took appropriate action.

This case is closed with no further action taken.
