CLOSEOUT MEMORANDUM

Case Number: I-16-0062-O

Page 1 of 1

This investigation was initiated pursuant to an allegation that an employee¹ of an NSF subcontractor² attempted to improperly take NSF property intended for disposal. The property was intercepted in transit and the employee was prevented from taking possession of it. The property was subsequently properly disposed of or returned to NSF.

We referred this matter to the U.S. Attorney's Office, which declined to prosecute. We provided NSF with our findings to help address the systemic weaknesses identified during this investigation.

Accordingly, this investigation is closed.
