CLOSEOUT MEMORANDUM

Case Number: I-16-0070-O

Page 1 of 1

We opened this case to investigate whether an individual¹ improperly received a stipend² from an NSF award³ to a university.⁴ Prior to opening our investigation, another federal agency⁵ had initiated an investigation into violations unrelated to the NSF award. The subject individual was subsequently convicted in criminal proceedings on those violations.

When contacted by our office, the university agreed to reimburse NSF for the improper stipend payment and reimbursed NSF through the Award Cash Management System.

This case is closed with no further action taken.
