CLOSEOUT MEMORANDUM

Case Number: I-16-0074-O

Page 1 of 1

We opened this case to investigate allegations of a primary employment violation, misrepresentation of facilities, and subcontract limitation violations by a small business relating to NSF SBIR awards. Based on our review of NSF records and documents produced by the small business, and interviews with the program officer and principal investigator, we determined the allegations were unsubstantiated. Accordingly, this case is closed.
