CLOSEOUT MEMORANDUM

Case Number: I-18-0030-O

Page 1 of 1

We reviewed an allegation that an NSF proposal contained plagiarized text and found that it and another NSF proposal contained small amounts of text copied without proper attribution to the sources. We sent the sole PI a Questionable Research Practices letter to remind her of the importance of diligent acknowledgment practices and to suggest training in the responsible conduct of research.

This case is **closed** with no further action taken.
