## CLOSEOUT MEMORANDUM

Case Number: I-18-0036-O

Page 1 of 1

We investigated an allegation that an NSF award Co-PI was affiliated with another university and failed to disclose this affiliation to NSF in proposals. We reviewed records obtained from the awardee and the Co-PI and interviewed the Co-PI. We found no evidence that the Co-PI accepted a position at the other university.

This case is closed with no further action taken
