## CLOSEOUT MEMORANDUM

Case Number: I-18-0043-O

Page 1 of 1

Our office received an allegation of plagiarism in a proposal submitted to NSF. We reviewed the proposal and determined that a very small amount of text was copied from a journal article. We reviewed other proposals submitted by the PI and found no additional plagiarism. We sent the PI a warning letter regarding the copied text.

This case is closed with no further action taken.
