OFFICE OF INVESTIGATIONS

CLOSEOUT MEMORANDUM

Case Number: I-18-0054-O

Page 1 of 1

This investigation was initiated pursuant to an allegation that an employee of an NSF grantee has been subjected to a series of retaliatory actions for disclosures she made to NSF OIG in 1996 and 1998. We determined that the disclosures pertained to NSF awards that were too old to fall under any of the relevant statutes that would allow our office to investigate a third-party grantee or contractor for retaliatory conduct.

Accordingly, this investigation is *closed*.
