OFFICE OF INVESTIGATIONS

CLOSEOUT MEMORANDUM

Case Number: I-19-0004-O

Page 1 of 1

Our office received an allegation that two researchers plagiarized the work of a graduate student at the same institution in a published paper. Our review determined that the graduate student was named as an author on the paper dispelling the allegation, and that NSF funding was not acknowledged in the paper. Accordingly, this case is closed with no further action taken.
