CLOSEOUT MEMORANDUM

Case Number: I-19-0006-O

Page 1 of 1

This investigation was initiated pursuant to an allegation that an NSF grantee retaliated against a co-PI on an NSF award for reporting misconduct associated with the award. We provided the complainant with our standard Complaint Form to collect additional information about the allegation, so that our office could determine if it had jurisdiction to investigate the allegation of retaliation. The complainant opted to withdraw his allegation and not have our office investigate.

Accordingly, this investigation is **closed**.
