CLOSEOUT MEMORANDUM

Case Number: I-19-0077-O

Page 1 of 1

We received an allegation of a possible conflict of interest involving an NSF Expert who had a position as a visiting professor at a foreign university. The Expert self-disclosed the foreign position to NSF's Office of General Counsel (OGC) and chose to resign from NSF when given the opportunity of resigning from NSF or the foreign university. We reviewed publicly available records and ethics disclosure documents and found no evidence that the Expert failed to disclose any conflicts of interest while working for NSF in previous years.

This case is closed with no further action taken.
