CLOSEOUT MEMORANDUM

Case Number: I10070031

Page 1 of 1

We received an allegation that a non-profit organization¹ had misused funds associated with an NSF award.² We determined that the organization did not follow its own policies and procedures, and those promulgated in OMB circulars and by NSF. This resulted in repeated claims against the award, which the organization could not support. To resolve this issue, the organization returned over \$150,000³ to NSF.

This case is closed with no further action taken.
