CLOSEOUT MEMORANDUM

Case Number: I11080033

Page 1 of 1

This case was opened when NSF OIG received an allegation that an employee¹ of a subawardee² on an NSF grant³ was presently debarred.

Our investigation determined that the employee entered into the contract and subaward agreement on behalf of the subawardee while still debarred, and falsely certified in both documents to not being debarred. We recommended the employee and the subawardee be debarred 5 years. NSF debarred the employee and subawardee for 5 years.

This case is closed with no further action taken.
