CLOSEOUT MEMORANDUM

Case Number: I14060024

Page 1 of 1

This case was opened pursuant to a referral from another agency OIG¹ regarding the possible misuse of the NSF logo on a company² website³. We determined that the company had provided consulting services to NSF over 10 years ago. We recommended that the company remove the logo from its website, which it did. No additional action is required.

Accordingly, this investigation is closed.
