CLOSEOUT MEMORANDUM

Case Number: I15060036

Page 1 of 1

We initiated this case as a result of information referred by an audit service¹ that while performing an audit² of a NSF grant receiving institution³ the principal investigator⁴ submitted false invoices to support expenditures.

This office contacted the vendor⁵ who verified the purchase and that errors were made while providing a copy of the invoice to purchaser.

This case is closed with no further action taken.
