## CLOSEOUT MEMORANDUM

Case Number: I-23-0066-O

Page 1 of 1

We investigated an allegation that an individual (Subject) applied for an NSF permit to allow landing at Antarctic-protected areas but is not an employee of the applicant company (Applicant). We received employment records of the Applicant that showed the Subject was a contractor for the Applicant and legitimately applied for the permit.

This case is **closed** with no further action taken.
