CLOSEOUT MEMORANDUM

Case Number: I-23-0029-O

Page 1 of 1

We investigated an allegation that an NSF Small Business Innovation Research/Small Business Technology Transfer (SBIR/STTR) awardee misused award funds. We reviewed award documents, served several IG subpoenas, and interviewed senior members of the awardee and other witnesses. Our investigation did not substantiate the allegation.

This case is **closed** with no further action taken.
