Case Closeout Memorandum

OIG Case Number I-23-0037-O | November 21, 2024

We investigated allegations of abuse of authority and substantial misconduct by a senior member of an Office of Inspector General on behalf of the Council of the Inspectors General on Integrity and Efficiency's Integrity Committee. We reviewed requested documents and records, consulted with a Subject Matter Expert, and conducted witness and subject interviews. Our investigation did not substantiate an abuse of authority or substantial misconduct.

This case is closed with no further action taken.
