Case Closeout Memorandum

OIG Case Number I-19-0001-CP | November 12, 2024

On November 30, 2018, the United States and a university entered into an agreement to resolve an allegation relating to misuse of NSF grant funds. Per the agreement, the university was required to implement a compliance program and submit annual compliance reports to our office. The university has fulfilled its obligations under the agreement; accordingly, this file is closed.
